

Rylee Stoupe

With pride and great pleasure, the Alumni Association has selected Rylee Stoupe, an LHS Alumni member of the Class of 2023, to receive one of its college scholarships. Rylee began to complete college transfer units in her junior year at Lompoc High School, and she continued this at Hancock College. Those college units allowed her to transfer to the University of LaVerne this year.

Her career goal, to become an elementary educator, has been a passion of hers since she was very young. Rylee manages to find time to volunteer with the softball sport in her community; she also has volunteered for different events at her local church. We are proud of her continuing, excellent academic record of 3.56 while working part-time at a local preschool. It is clear she has exceptional time management to do all this.

Rylee possesses a genuine interest in making an impact in the field of education. Her love of children, fostering their desire to learn, will help her make that impact.

We wish Rylee the very best in achieving her lifelong dream of becoming an elementary educator.
