June 2020

PRESIDENT'S MESSAGE

This message always makes me feel so grateful. It seems I have entered into my second term as the president of the Lompoc High School Alumni Association.

Together the board has made

huge progress with the Association. It takes the entire board to make positive change. I truly feel we have great board members that are loyal and true to our goals. The knowledge and expertise we have with our board members is a testament to our progression.

The Alumni Association had successful fundraising efforts with the car cruise, wood raffle, sports basket and our first ever Super Bowl Fundraiser. Thank you to all of our members and non-members for your

continued support. I believe what makes our fundraising successful is the community and all of the Lompoc High School Alumni. With the rise in our investments in 2020, it looks like along with fundraising, we may be able to add a scholarship and increase our contribution to the High School. That, folks, is what it is all about!

I am so impressed with our new board members and the commitment they have made. We needed positive change and it is happening. I know it is hard to break old ways of process. I am grateful for our seasoned members understanding and acceptance of new and updated ideas to reach the goals of the association.

As always, please pass on the word to your family and friends to become lifetime members of the Lompoc High School Alumni Association. Get the word out of our scholarship applications and Hall of Fame applications. Dream big, stay positive, be open to change and good things will come .

Tracy Bruns Schriver

ALUMNI ASSOCIATION MEETINGS

The Lompoc High School Alumni Association Board of Directors holds four meetings a year. They are on the **third Thursday of January, March, June and September**. The June meeting is our annual meeting and is open to all alumni members. **The June meeting is still tentative due to COVID-19.** The meetings are held in the upstairs conference room of the Lompoc Valley Chamber of Commerce at 111 south I street, beginning at 7 pm.

Big Changes Coming to Brave Talk!

Since the Alumni Association was established decades ago, our world has seen huge changes in how we live. People move more frequently, convert to cell phones, give up landlines and, of course, are living in this electronic age. Consequently, keeping our contact information current is even more difficult.

If we unknowingly mail a newsletter to an incorrect address, it often gets tossed out since our member has moved. If a newsletter is returned with a forwarding address, our reprocessing and remailing costs can triple.

Our printing and postage costs have also risen dramatically. All of these circumstances beyond our control are impeding our organization's goals, which are to provide scholarships, and support/promote LHS where needed.

After much analysis and all things considered, it's clear that costs to print and distribute Brave Talk, as well as wasted postage, can add up. This money would be better spent on more scholarships. Therefore, our Board of Directors has decided that we must begin transitioning to electronic distribution of Brave Talk.

Beginning with our 2021 edition of Brave Talk, we plan the following changes:

- ◇ We will transition to publishing Brave Talk electronically by posting it yearly on our website. We hope members can read it online, and/or download and copy if they so choose.
- ◇ We realize that not everyone has access to, or uses, computers. So, we are happy to mail a printed copy upon request. **However, you must notify us before November 1, 2020, if you want to continue receiving Brave Talk by mail.** You can notify us by completing the form below and returning it to P.O. Box 1146, Lompoc, CA. 93438-1146. Alternate ways to notify us would be by email – lompocalumni@gmail.com or call Susan at 805-717-9516. Please include full and maiden names, graduation year, address, phone number and email.
- ◇ We can no longer try to find people. It is the member's responsibility to inform us of future address changes, in order to receive a printed copy.
- ◇ If a newsletter is returned without a forwarding address, we must drop you from our mailing list, until we are advised of a new address.
- ◇ New members will only have access to Brave Talk on the website, unless they do not use a computer and specifically request a written copy.

If you are viewing Brave Talk online, we would still appreciate you returning the completed form and check the line that says for, "Confirmation of Information only". In many cases, we don't have current phone numbers, emails or current last names. Please show both married and maiden names. Your Information Confirmation can also be sent by email or phone as shown above. This would be helpful for future reunion purposes.

This form MUST BE RETURNED in order to continue receiving a MAILED COPY of Brave Talk!

Please return completed form to the address below, OR scan and email to lompocalumni@gmail.com

ALUMNI AND FACULTY HONORS

- ◆ At 100 years old, **Mary Silva Cabral**, class of 1937, was crowned the Comprehensive Care Center's Flower Festival Queen and rode in the 2019 Flower Festival parade. Now at 101, Mary is the oldest living Lompoc High graduate residing in Lompoc.
- ◆ **Ron Emmons**, class of 1974, was recently inducted into the National Reined Cow Horse Association Hall of Fame in Texas. As mentioned in the last few Brave Talks, Ron was named top cowboy at the Snaffle Bit Futurity two different years.
- ◆ 1972 grad **Roy Howell**, a member of the Lompoc High Hall of Fame and former Major League Baseball third baseman, had his Lompoc High baseball jersey retired at the 50th reunion of the CIF champion team. Roy was drafted in the first round (4th overall) right out of high school by the Texas Rangers and went on to play 1,112 games in eleven seasons with the Toronto Blue Jays and the Milwaukee Brewers. He had a lifetime batting average of .261 and was selected for the 1978 All Star game. He is the second player at Lompoc High to have his jersey retired.
- ◆ **Elmer Nelson** (class of 1961), on November 6, 2018 was voted in as the mayor of Bonanza, Arkansas.
- ◆ **Toa Taua** is playing football for the Nevada Wolfpack. Taua ended the season with 814 yards rushing with six touchdowns on 196 carries. Taua also had 30 receptions for 185 yards. The Wolfpack has high hopes for the coming season with leading rusher Taua.
- ◆ Another Hall of Famer is **Claudia Terrones**. Mrs. Terrones is the athletic director and longtime girls' basketball and track & field coach at Lompoc High. She was inducted into the Northern Santa Barbara County Athletic Hall of Fame.

Alumni Leaders in the Lompoc Unified School District

Congratulations to **Celeste Lang Pico** ('92), who has been promoted to the position of Lompoc High School principal. She takes over from **Paul Bommersbach** ('86), who has been assigned as an education services coordinator. **Noelle Ricardo Barthel** ('92) is also a new education services coordinator.

Other alumni serving in Lompoc schools administrative assignments are **Heather McVicar Anderson** ('90), principal at Los Berros elementary school; **Carmen Chavez** ('80), principal at Hapgood elementary school; **Brian Grimnes** ('90), Cabrillo High School assistant principal; **Candice Roberts Grossi** ('94), Lompoc Valley Middle School assistant principal; and **Jamie Valla Johnson** ('91), Special Education coordinator.

Hats off to these distinguished alumni who are continuing the Lompoc Unified School District tradition of excellence in education!

FUNDRAISERS

Ninth Annual Car Cruise Headlines Old Town Market in Downtown Lompoc

A huge thank you to all those who supported our **2019 Car Cruise Fundraiser night** which was held on Friday, July 12th. The car cruise is one of the biggest fundraisers for our scholarship fund. Over 190 cars and trucks cruised up and down Ocean avenue from 5 pm to 7:30 pm. It was the most vehicles we have had cruise since the beginning of our event in 2011. The cruise raised \$1,900 for the Alumni Association scholarship fund. Also that evening, a raffle was held for a half cord of oak wood donated by one of our LHS alumni.

With the help of the City of Lompoc Street Crew, the Lompoc Police Department, the Lompoc Chamber of Commerce, Cal Trans and our members, our annual cruise was a huge success at Old Town Market.

Unfortunately, due to Coronavirus this year's cruise has been cancelled. However, we are looking forward to an even bigger turnout in 2021!

There were several other fundraisers this past year:

Oak Wood Raffle, which raised \$800.

Sports Basket Raffle, which raised \$1,500 and was won by Kendra Campbell Grossini.

Super Bowl Fundraiser, which raised \$1,000 and was won by M. Pico, Britt Jones and Bob Manfrina.

Thank You to everyone who donated items and sold tickets to these fabulous fundraisers!

CLASS OF 1979 & 1980

CLASS OF 1998

LHS Alumni Association Scholarship Program

One of the main purposes of the LHSAA is to award scholarships to deserving graduating seniors and college students. Most of our fundraisers are just for this purpose. Since 1986, the Alumni Association has awarded \$54,500, and in 2007 the association began awarding scholarships to college students as well. The amount has been increased to \$1,000 each, from the original \$500.

Criteria for high school seniors:

Student must have attended Lompoc High School all four years. Also, a parent or legal guardian must be a member of the LHS Alumni Association; a one-time fee of \$30 for a lifetime membership. Membership forms to join the association can be found on the alumni website lompochighalumni.com.

High school scholarship applications can be found at Lompoc High School's website lUSD.org/lhs then click on

Counseling, then Scholarships. Students can download the Common Scholarship Application and pick up additional information in the LHS Counseling Office. This year's deadline was March 20, 2020.

Criteria for current college students:

Applicant must be an LHS graduate, member of the LHS Alumni Association, currently attending a community college, four-year college or a technical school and be enrolled in at least twelve units of coursework.

The college scholarship application can be found on lompochighalumni.com website.

Scholarship Committee

The Scholarship Committee is chaired by Rosie Chavez and for 2019 was comprised of Bob Ambroe, Rosebel Cameron, Judy Carpenter, Carolyn Concellos, Marjorie Ledgerwood, Ken Ostini, Celeste Pico, Shannon Ranjo and Gloria York. The committee scores each applicant and then decides the winners. The LHS principal announces the winners and awards the scholarships at Senior Awards Night.

2019 Scholarship Recipients

The Lompoc High School Awards Program was held on May 15, 2019. Pictured above, L to R, are scholarship recipient **Lainey Ranjo**, LHS Alumni Association Scholarship Committee chair Rosie Chavez, and scholarship recipient **Logan Blanco**. The LHS Alumni Association takes great pride in awarding our scholarships to these outstanding and deserving students. Logan Blanco and Lainey Ranjo epitomize the perception of a true scholar and humanitarian. We wish them great success in their academic endeavors and in their future life goals.

CONGRATULATIONS!!

CLASS OF 1984

CLASS OF 1984

Logan Blanco

is the daughter of Tom and Pamela Blanco. Pamela Flint Blanco is an alumni member of the class of 1989. Logan maintained an impressive GPA of 4.37 during her four years at Lompoc H.S. She is currently attending University of California, Berkeley and her major is human biology. She intends to pursue a career as a physician assistant. Logan has been very involved in numerous school and community activities during her high school career while maintaining her outstanding academic record.

Logan was named to the Principal's List all four years of her attendance. In addition she was named scholar athlete in volleyball, swimming, and participated as student athletic trainer for girls' basketball teams and spent countless hours in the Sports Medicine program. She was named All-Channel League honorable mention in 12th grade and a pacesetter.

Logan also enjoyed being involved in ASB, holding offices as class president in grades 9th and 10th, ASB treasurer in 12th grade, and ASB rep. in 11th grade. Logan participated in CSF for three years and loved volunteering in her community, e.g. Elementary School Reading Program, Jalama Beach Clean Up and the Surf Beach Restoration Program, to name a few. Her love of nature and her passion for saving the environment has become a lifelong vision for Logan. She has demonstrated outstanding service to others and maintained a clear sense of purpose and will apply her knowledge and make the world around her better.

Lainey Ranjo

is the daughter of Bart and Shannon Ranjo. Lainey's mother, Shannon Goss Ranjo, is an alumni member of the class of 1985 and her father Bart is an alumni member of the class of 1984.

Lainey earned an exemplary GPA of 4.31 during her high school career and is currently attending California Lutheran University in Thousand Oaks. Her major is communications with a double major or minor in film and television. She earned a Scholar Letter Award all four years, and earned a 1200 SAT patch her senior year. She has maintained a very rigorous academic schedule and grade point average with countless honors and Advanced Placement classes. Lainey earned several honors and Principal's List awards. She also had an active role as member of ASB, CSF for three years, Sapphire Dance team, Thespian Troupe and was a performer in several plays and musicals the Performing Arts department presented during her high school career. She was often a featured dancer or key member of a production and always gave it her 100% performance.

She enjoyed volunteering in her community by participating at St. Timothy's Church, Lompoc Food Pantry, and also assisted in organizing the Relay for Life and Lung Cancer Awareness vigils which she also found very rewarding. Her leadership, kind heart and commitment for academics and the performing arts have been commendable and she is a great role model of Lompoc High School. We are now eager to see what university achievements she accomplishes.

CLASS OF 1988

CLASS OF 1986

2019 HALL OF FAME INDUCTEES

Congratulations to the 2019 Hall of Fame inductees. Pictured left to right are Barry Manfrina, Debbie Schuyler Manfrina, Ruth Glidden Schuyler and Eddie Hawley Sissons.

Barry Manfrina and **Debbie Schuyler** both graduated from Lompoc High in 1961. Barry attended UCSB then enlisted in the United States Navy serving aboard the USS Hollister in the waters off Vietnam. Debbie attended Cal Poly SLO and majored in animal husbandry. Upon graduating she received a Gold Key award for her involvement in Cal Poly organizations. A year after Barry's return from Vietnam they were married, had two girls and began their many years of involvement in the girls' activities. Their 4-H roles included assistant lamb leaders, marine science leaders, backpacking, shearing sheep and hauling members and their sheep to county functions and weighing members' project lambs on a weekly basis.

Between 4-H activities, Barry worked at the Okonite Cable Company in Santa Maria for over 41 years.

Debbie gave tours to fourth graders at the Lompoc Museum nearly every week for 25 years, then switched to third graders and Lompoc history at the Historical Society.

Both Debbie and Barry have served on the LHS Alumni Association for many years. They were longtime members of the Car Show committee, and later became chairpersons. Barry was on the Scholarship selection committee for many years. Debbie is a past Alumni Association president and served as Brave Talk editor for 19 years. She is also on the Historical Society Board and is a past officer. Both of Barry's parents, Walter and Myra Manfrina, and Debbie's father, Glenn Schuyler, have been inducted in the Lompoc High School Hall of Fame, so they feel it is a great honor to follow in their footsteps.

Ruth Glidden Schuyler is the first member of the Class of 1959 to be inducted into the LHSAA Hall of Fame. Ruth has devoted most of her adult life to service in this community with organizations including SB County Search and Rescue, the International Association of Rebekah Assemblies, Cub Scouts and Meals on Wheels. She and her husband Will owned and operated Schuyler's Off Road and Mower Service for 52 years.

Eddie Hawley Sissons, member of the Class of 1964, also celebrated a reunion, her class's 55th, at the 2019 Historical Society dinner. Eddie has made a career of community service. She currently works for Research Advisory Service, Inc. in Arizona, providing advocacy training for parents of individuals with mental illness for Vision of Hope Arizona. She provides a similar service to peers, families, and providers for the Arizona Foundation for Behavioral Health. She was previously the Executive Director of this latter organization and helped to launch lectures and movie series discussions on those topics to health care professionals. She was the program manager for the Office of the Arizona Attorney General as it established satellite offices around the state. Staffed by trained volunteers, these offices assisted Arizona residents with civil rights and consumer problems. She coauthored the federally mandated "Needs Assessment for Maricopa County Head Start." She was a co-convenor of advocates on hunger, housing and homelessness, domestic violence, and poverty programs.

Where were you in 1970?

The year was 1970. Back then the world population was 3.63 billion, the U.S. population was 204 million, average annual income was \$7,800 per year, federal minimum wage averaged \$2.50 an hour, average cost of a new house was \$23,450, Americans renting a home spent about \$140 per month, average life expectancy of a male was 67.1 years old, average life expectancy of a female was 74.8 years old, U.S. postage stamp cost 6 cents, gas was 36 cents per gallon, the president of the U.S. was Richard Nixon, New York City was the largest urban area in the U.S. with a population of 7.9 million. Chicago (3.3 million) and Los Angeles (2.8 million) followed, voting age was lowered from 21 to 18, tuition at Harvard was \$2,400 per year, average cost of a new car was just under \$4K, and a movie ticket cost an average of \$1.50.

While all of this was happening, an event that did not make the list was held on June 1, 1970 at Anaheim Stadium. Approximately 2,500 Lompocians traveled to the stadium to watch coach Dan Bodary's Braves baseball team play in their first ever CIF Championship game against El Segundo.

The Braves' roster featured future major leaguers Roy Howell, Roy Thomas and Dave Stegman, team captain Monte Bollinger, Bobby Grossini, Robert Aguilar, Jeff Bratz, Joe Brooks, Kelly Candaele, Steve Glover, Carlos Gonzalez, Tom Harmon, Ruben Heredia, Marc Landry, Paul Ortiz, Neal Porter, Ruben Terrones, and Ted Torres. Assistant coach Jim McKaskle and managers Bruce Williams, Charles Hilley and Randy Shaw rounded out the group.

The actual CIF write up is as follows: "Lompoc High, beaten in its opening game of the season, completed a "perfect" year at Anaheim Stadium on June 1 by defeating El Segundo, 8-5, to win the CIF, SS, AAA, baseball championship in the first half of the play-offs double bill. A crowd of 4,520 witnessed the play-off games. Lompoc, twice taking advantage of a drawn-in El Segundo infield, scored three runs in both the second and third innings and then received an overpowering relief performance from Roy Thomas to claim its 26th straight victory. Thomas, a 6-5, junior right-hander, took over in the fifth inning after El Segundo had rallied for four runs to cut the Lompoc lead to 7-5. He retired the side on a ground out and pitched hitless ball the rest of the way, striking out four. Junior left-hander Ted Torres of the Braves was credited with his 11th victory of the season. This was the first CIF baseball championship win for Coach Dan Bodary and Lompoc High School."

In May of 2014 that team was voted the seventh best high school team of all time in California. For those that remember that day or were just told about this great team, a 50-year reunion was held for them on January 18, 2020 at the Schuyler Riverbottom Ranch. About 100 people gathered to see Roy Howell's jersey retired as well as see the retired jersey of Roy Thomas. Almost all of the team was there or represented by a family member. Stories and bantering amongst the players and families filled the day with a Santa Maria-style barbecue with a Lompoc flavor.

Bill Graham- counselor at Lompoc Valley Middle and Lompoc High School for 34 years.

Robert Hill- teacher at Lompoc High.

Ann Levin- taught business skills at Lompoc High and was an Adult Education teacher at Lompoc High.

Forever a Brave

In Memoriam- Gunther Cunningham

Gunther Cunningham,
moved to Lompoc
from Munich

Germany. His English was limited as he spoke mainly German. Bob Manfrina was one of his early friends and it was Bob who convinced Gunther to go out for football. He graduated from Lompoc High in 1965. There he played football and he also played for Hancock College. He earned a scholarship to play at the University of Oregon. There is where he began his coaching career.

He was the defensive line coach for the University of Oregon and from there his coaching career spanned nearly five decades-coaching in college, NFL, and the Canadian Football League.

Next he was the defensive line coach for the JV team at Stanford, then coached as the defensive coordinator until 1980. In 1982, after a couple of seasons coaching in Canada, his first job with the NFL was with the Baltimore Colts. He coached the defensive line/linebackers. He went on to coach with the San Diego Chargers and the Los Angeles Raiders

for a few years. He then was the Kansas City Chiefs defensive coordinator and was their head coach from 1999 to 2000. Detroit was his final coaching stop where he spent 5 seasons as the team's defensive coordinator before moving into a senior coaching assistant job from 2014 to 2016.

Gunther died in May leaving a wife and two children. "Gunther Cunningham will forever be remembered as one of the great men of our game" the Lions spokesman said in a statement. "He left a lasting impact on every person who was fortunate to work alongside him during his more than 47 years as a coach"
