

Madison McCarley

Madison is the daughter of Amanda McCarley. Amanda Plo McCarley is an Alumni Association member of the Class of 1998. Madison has earned an impressive academic record while taking honors and advanced placement courses during her high school career. While maintaining her rigorous academic schedule, she has achieved a commendable GPA of 4.10.

Madison has been very involved in various school and community organizations. Her academic awards include being named to the Principal's List, National Honor Society and Scholar Athlete all four years.

She has also dedicated her time by being involved in Track and Field, Volleyball, Water Polo, PTSA, Yearbook and the Smoke Signal, the school's newspaper, to name a few. A highlight of Madison's writing skills was when she won First Place in the ACSA Essay Contest. She also takes pride in her school by volunteering for the campus cleanup and beautifying project.

Madison's leadership skills are evident by her participation as a student representative for the PTSA organization, advocating for students. Because of her leadership skills, she earned the position of Captain of her Varsity Volleyball team. Her athletic talents helped her to compete in Swimming, earning a 6th place in

CIF Division Championship, and earning a 7th and 8th place in Division Championships. In Track, Madison competed in the high jump and qualified for CIF and took 2nd place at the Santa Barbara County Track Meet.

Madison has demonstrated outstanding service to others by volunteering her time in helping to coach for the Lompoc Youth Track Meet, and she has participated in various other community events involving the youth of Lompoc. In addition, her community participation extends in her being named as one of the 2024 Flower Festival Queen candidates for the Flower Festival Association. Madison's career goal is to become a Psychologist, and she is planning to major in Psychology at California Lutheran University, in Thousand Oaks, CA. in the fall.

We wish Madison continued success as she pursues her college education, and feel she has a bright future as a Psychologist. Congratulations!
