PRESIDENT'S MESSAGE

- Tracy Schriver

As I look back into my folder of old notes, agenda's, financial reports, Hall of Fame applications and Brave Talks I came to realize I have been a Board Member of the Lompoc High School Alumni Association for over 10 years. I became an Executive Board Member shortly after that as the Corresponding Secretary. Since my onset of being on the board I took on the responsibility of Chairperson for the Hall of Fame. It all started with being a Non Board Member on the Car Cruise Committee. I have been a member of the Lompoc High School Alumni Association since the day I graduated in 1983. Yes, I was one of those that filled out the application that was in our graduation packet and sent in my lifetime membership dues. As I was not born in Lompoc, like many of our alumni, I am VERY proud to be a LHS graduate and I Bleed Blue as many of you do. I take great pride in our school, educators, coaches and staff. It is an honor to volunteer my time to our school and community as President of the Lompoc High School Alumni Association.

As our Association has grown by leaps and bounds it will be tough to follow my predecessors. We have come a long way over the years but maintained the

goal of promoting and supporting Lompoc High School. We now have solid By-Laws. We have a chairperson for each committee. We have successfully obtained Nonprofit Status. We are currently working on Liability Insurance and a new website.

Our three main fundraisers, the Car Cruise, Wood Raffle and Sports Basket have exceeded all goals. Thank you Board Members for all your hard work. Thank you members of the association for your continued support. The members of our board were very successful in obtaining advertisement for our Brave Talk from our graduates and local businesses. I am very proud to report that we covered all expenses for printing and postage by those who advertised in last year's Brave Talk.

As I close please remember to continue membership efforts. Make sure your family and friends are members. Our fundraising and membership is what feeds our scholarships and allows us to donate to the needs of Lompoc High School. Two high school seniors who are children of Alumni and one college student are eligible to apply for scholarships. Also, please send in those Hall of Fame applications.

ALUMNI ASSOCIATION MEETINGS

The Lompoc High School Alumni Association Board of Directors hold four meetings a year. They are on the third Thursday of January, March, June and September. The June meeting will be held on the second Thursday on June 14th and is our annual meeting that is open to any alumni members.

ALUMNI WEBSITE

The Lompoc High School Alumni Association website is new and under construction. The website team is currently working on a new website that is more user friendly. We hope to have it up and running full force soon and plan to have information on class reunions, membership applications, submitting address changes, the class representative list, Brave Talk and other important information. Please keep an eye out on Facebook for the new website address to keep up on alumni association information. Thank you for your patience

Principal's Message

Lompoc High School Alumni:

I cannot believe we are into the second semester of the 2017-18 school year already. The school years keep going quicker and quicker. Our staff has been busy this year with Math, English, Social Studies, and Science all working on new curriculum. Pathways for post-secondary education, 9th grade intervention, rigor, increased technology and data have continued to be focus areas for us this year.

Recent data that we are all proud of is the state testing last spring. We are the only high school in the county who increased our English/ Language Arts and Math test scores. We are all proud of that accomplishment as it was definitely a team effort. We are also continuing to hold Saturday Academies for interested students to enrich their skills in a variety of topics depending on which teachers are available from history, SAT prep, PE, band, math support, etc. Students who have been absent are able to change their unexcused absence to an excused absence by attending.

We are continuing to purchase technology for classrooms including document cameras, interactive projectors, chromebooks, clickers, etc. in order to use a variety of ways for students to learn the required curriculum.

This year is also the year that Lompoc High School will present the Every 15 Minutes program. March 27 and 28 is when we will have the entire student body at the stadium for the mock accident scene and the parents of the students participating will receive a mock death notification. The following day we will have a follow up assembly for juniors and seniors where the students and parents will reunite after going through this intense and emotional program. We would like to thank all of the first responders and volunteers who put in countless hours preparing for this program at both high schools, attempting to make a powerful impact on students and the decisions they make.

I would also like to thank the community for their ongoing support of Lompoc High School and our students. Without your support, we would not be able to support some of our programs and more importantly keep our students engaged and motivated to excel in high school and find their path to post-secondary education.

Tom Blanco Sports Medicine Center

Photo: Logan Blanco (left) and Ruby Gonzalez (right), both Class of 2019.

Tom Blanco is a familiar face around Lompoc High School. Thirty six years (and counting) as the LHS athletic trainer, you could say Mr. Blanco has made a name for himself--many of you may simply know him as the one and only "Blanco".

After graduating from Fresno State University, Blanco accepted a job in another city but was invited to interview with LUSD on the recommendation of then athletic director and football coach Mike Warren. Blanco's initial impression of Lompoc was, "It was the end of July, and I was wearing shorts when I came to look at the school before the interview. I was very cold after 10 minutes and said 'I could get used to this'". Being from Clovis, California, the cool Lompoc weather was very appealing. He also liked the small town atmosphere and the history of athletics at LHS. Blanco accepted the position of Equipment Manager and Athletic Trainer in the summer of 1981.

Blanco was the first high-school level certified athletic trainer on the entire coast from Los Angeles to San Jose. At the time, there were only about 10 athletic trainers in the state and no one was familiar with the job of an athletic trainer. Athletic trainers on high school campuses are now ubiquitous. Blanco stated, "Now it's an expectation that we have one. Athletes need to be taken care of with their injuries."

The new Tom Blanco Sports Medicine Center amenities include a training room with two hydrotherapy pools, a muscle stimulation machine, an ultrasound machine, four adjustable treatment tables, an ice machine, a freezer, a hot pack machine, a large screen monitor, and various stretching and exercise apparatus stations. It was also designed with a separate office space for private physician evaluation capabilities. Immediately next door sits a fully operational and equipped classroom. Student athletes and trainers now have a state of the art center for the prevention, diagnosis, and treatment of injuries for decades to come.

LHS has undoubtedly realized great benefits from Blanco's tireless support and dedication to the school. As both a teacher and athletic trainer, Blanco has built positive and lasting relationships with students and staff alike. He recounts many fond memories at LHS, but by far the most enjoyable part of his career has been connecting with alumni and following their successes in life after high school, moving on to their careers and becoming parents. He recognizes that there have been a number of very successful student athletes that have graduated from LHS. "There are also a lot of doctors, dentists, attorneys, teachers [for example] that were greatly affected by their experience at this high school. That is what I am most proud of."

Alumni Honors

Bob Campbell-LHS class of 1968 graduate and a third generation Lompoc farmer and owner of Campbell Ranches was named Lompoc Chamber of Commerce Man of the Year. Bob, his parents, and his grandmother, plus all his children and now some of his grandchildren are all Lompoc High graduates.

Bob was recognized for his many years of generosity and compassion. He served two decades on the Lompoc Unified School District board of education. He has been involved in nearly 20 causes and organizations many of those involving youth of the community, like FFA, 4-H, girls' softball, youth Leadership Lompoc, and the every 15 minute program to only name a few. Lompoc graduate Bonnie Hurlbut Fairbanks-class of 1963 introduced Bob and read letters from those who nominated him.

Ken Ostini-LHS class of 1968 was honored with the Dick DeWees Leadership Award. The Chamber of Commerce's Leadership Lompoc Valley program recently honored Ken. He epitomizes the community leader/servant model and is highly representative of the ideal of the Leadership Lompoc Valley Leadership Award.

Ken, like Bob Campbell, is a Lompoc native. He is deeply involved with the community and serves on numerous local boards, including the Lompoc High Alumni Association board and the Lompoc Valley Historical Society board, only to name two of the more than 12 boards he is on.

Ken retired from Vandenberg Air Force Base in 2011 and took over as president and CEO of the Lompoc Valley Chamber of Commerce until 2016.

Green Bay Packer **Johnnie Gray** was awarded the Bart and Cherry Starr Recognition Award. Already a member of the Green Bay Packers Hall of Fame, this award was to recognize a person who exemplified outstanding character and leadership in their field of expertise while consistently demonstrating a personal conviction and commitment to the Green Bay Packers Hall of Fame and the preservation of Packers history.

CLASS OF 1985

Heartfelt Reunion

By Susan Burton Harlow

Part of my job as Membership Chairperson of the LHS Alumni Association is to keep track of our 2,000 or so members so that we have current contact information for newsletters, reunions, etc.

Occasionally someone contacts me in hopes of locating a former classmate. Because we have a policy of not sharing personal contact information without permission, we cannot give out this information without contacting the other party first.

Every once in a while, I get the pleasure of connecting people under very special circumstances, when everyone is in agreement. The following story is a recent example.

Last summer, I received an inquiry asking for any contact information on a former LHS graduate from the Class of 1967 (which just happened to be my own class). Our records show that the graduate was a deceased Vietnam Veteran. The caller went on to explain that he had found medals and papers (including a Purple Heart) that belonged to the graduate in a local thrift store. He did not know how they got there but, being a Vietnam Vet himself, he did not want to leave them in a thrift shop. He asked if I had any information on the soldier's next of kin.

With a little sleuthing in our Alumni database, I found that the soldier's mother was still alive and living in Lompoc. After contacting the mother, I found out that her son had been her only child and had died from the effects of the Vietnam War. She did not know about his belongings being in a thrift shop and, in fact, was not aware that he had a Purple Heart. However, she did know that his personal items had been stolen at some point. It brought her to tears and she was delighted to meet with the man who found them.

It was very gratifying that the LHS Alumni Association was able to connect this Good Samaritan with the mother of our former graduate, so those long lost medals could be returned to the family. Thanks to Larry Hale, Class of 67, for reaching out to us to find the family of this heroic LHS graduate. Larry and his wife, visited with the mother, now in her 90's, and spent an hour with her hearing about her son. Their thoughtful gesture made one proud mother extremely happy and we were glad that we could help.

Car Cruise Fundraiser

Our 2017 Car Cruise Fundraiser raised \$1744 for the Alumni Association Scholarship Fund. With the help to the Lompoc City Street Crew, the Lompoc Police Department, the Lompoc Chamber of Commerce, and our members, it was a great way to begin the summer run of Old Town Market. The Alumni Association gives two scholarships to graduating Lompoc High students and one to a Lompoc High graduate attending Jr. College, four-year College or trade school. 174 cars from Solvang, Santa Maria, Guadalupe and of course Lompoc came to cruise. One participant said, "We didn't have video games back then, so we cruised."

Also that evening, a raffle was held for ½ cord of oak wood donated by Scott Rouleau, a big supporter of our scholarship fund. We were able to raise \$580 from the raffle which also went towards our scholarship fund.

Alumni Association Scholarship Program

We are very proud to announce that the Lompoc High School Alumni Association has been awarding scholarships to graduating seniors since 1986. Since then, \$49,500 has been awarded, and in 2007 the association began awarding scholarships to college students as well. The amount of the scholarships has been increased to \$1,000 from the original \$500.

Criteria for high school seniors is: Students must have attended Lompoc High School for all four years and a parent or legal guardian must be a member of the LHS Alumni Association. Scholarship applications are available in the Counseling Office. Membership forms to join the association can be found on the alumni association website or in this issue of Brave Talk or by contacting Susan Burton Harlow (Also see contact people in this issue). Recipients can only be awarded this scholarship one time.

Qualifications for the college scholarship: The student must be a Lompoc High School graduate, be a member of the LHS Alumni Association, be attending a community college, a four-year school, or a technical school and be enrolled in at least 12 units. The college scholarship application can be found on the LHS Alumni Association website.

2017 SCHOLARSHIP RECIPIENTS

The Lompoc High Alumni Association was pleased to announce two \$1,000 awards to graduating seniors at the Senior Award Program in May 2017. Those receiving these scholarships were: Kameron B. Davis and Mayah Nicole Pico. The \$1,000 college scholarship was awarded to Isaiah Paul Pico.

Kameron Davis, son of Tina Marie (Anderson) Davis, class of 1985, and Roderick Davis.

He is attending Grand Canyon University, Phoenix, Arizona and is majoring in Psychology and his career goal is to become a sports psychologist. Kameron received numerous awards and achievements during his attendance at Lompoc High School. To name a few, he was recognized as a Brave of the Quarter for four years, named to the Principal's list two years, and was awarded the FBLA Financial Literacy Award. Kameron was also Scholar Letter recipient and earned the Scholar Athlete award for three years. He was also honored for All Los Padres League in football, track and field in 2016. In 2017 he was named Los Padres League Second Team in basketball, and Northern Santa Barbara County Round Table Athlete of the Week award in 2015. Kameron was involved in several extra-curricular activities including LHS Special Olympic basketball camps, volunteering at LHS youth track meets, FBLA Camp Youth football camps, and Make a Difference Day. He continued to take pride in his involvement in school activities while maintaining a 3.53 GPA and being enrolled in Advanced Placement and Honors classes. His commitment to excellence is evident not only in the classroom, but also in everything he has attempted. The contributions Kameron has made to LHS have been commendable.

Mayah Nicole Pico, daughter of Celeste (Lang) Pico, class of 1992, and Steven Michael Pico, also class of 1992. She is attending UCLA and majoring in Pediatric Neuropsychology and plans to make a career in Cognitive Science, Neuroscience or Psychology.

During her attendance at LHS, she maintained a 4.26 GPA and was very active in school clubs and sports while being enrolled, and in a rigorous academic program. Her academic achievements included being an SAT Academic Excellence Award recipient and being named a National Merit Semi-Finalist. She was also enrolled in several Advanced Placement classes while being actively involved in school and community activities. Recipient of Scholar Athlete award for 4 years and was named All-League First Team in Soccer for 3 years, and participating in various plays for Drama Club, Relay for Life, to name a few of her volunteer community activities.

Mayah participated in a service learning project (emphasis on learning) which involved going to Tanzania to gain global perspective and work with children in schools and orphanages during summer of junior year. She raised funds herself for travel which allowed her to gain deeper insight into global/social issues in this adventure.

She was also an active member of the PTSA and ASB as well as in Theatrical Theatre, where she was very involved in various roles. Mayah has also made tremendous contributions to her school and community and has been committed to excellence as well.

2017 SCHOLARSHIP RECIPIENTS - Continued

Our college recipient for 2017 is **Isaiah Paul Pico**.

Isaiah is the son of Celeste (Lang) Pico, class of 1992, and Steven Michael Pico, also class of 1992. He is currently attending San Diego State University and is majoring in Civil Engineering. His intended career is to become a Geotechnical Engineer.

Isaiah participates in various college groups. He performs volunteer duties for Engineers without Borders organization, which involves beach clean ups and removal of invasive species, Steel Bridge Team through American Society of Civil Engineers. In the summer of 2016, he applied and was selected into the Louis Stokes Alliance for Minority Participation Pre-Calculus Program and job shadows professionals in their field and labs on campus, while participating in the math program. He continues to maintain an impressive academic record while participating in these various college campus clubs with diligence and professionalism.

The LHS Alumni Association takes great pride in awarding these scholarships to these outstanding and deserving young people. They are to be commended for being impressive role models for the students of Lompoc High School and our Lompoc community.

Class of 1990

Scholarship Committee

For many years Don Stalker was chairperson of the Lompoc Alumni Association Scholarship Committee. He then turned the chairmanship over to Rosebel Scolari Cameron, who has done a great job in organizing her committee, getting the word out about our scholarships, checking all scholarship applicants to make sure they comply with the rules and then getting the scholarships out to the committee members. Reading each and every applicant and trying to decide who to select to receive the two scholarships is a very difficult undertaking. Finally, she and Barry Manfrina tabulate the scores and Paul Bommersbach has been kind enough to announce the winners at Senior Awards Night.

Rosebel's committee consists of Bob Scolari, Judy Williams Carpenter, Latricia Schuyler Bowen, Rosie Terrones Chavez, Carolyn Rios Concellos, Lorraine Fairbanks Ploch, and Barry Manfrina. Bonnie Gray was also on the committee until her passing.

Rosebel and Barry are stepping down from the committee and Rosie Chavez is now the new chairperson.

Do You Need A Gift Idea For A New Grad—Or An Old One?

Two great gift ideas for a Lompoc High graduate are a membership to the alumni association. A membership is \$30.00 for a lifetime membership for all new members. \$30. for life—What a Deal!

Below is a membership form that can be filled out and sent to the high school at 515 West College Avenue Lompoc, CA 93436, or go to the web site www.lompochsalumniassn.org and click on alumni membership application. If you have any questions contact Susan Burton Harlow at sbharlow@gmail.com
